

# HP ElitePad 900

The true tablet for business

## HP recommends Windows.

Introducing the HP ElitePad 900, our premium thin and light Windows 8 tablet.<sup>1,2</sup> The HP ElitePad 900 can transform business because it's a tablet designed for business. You get compatibility for the standard desktop applications you need—and the confidence of a familiar PC experience. And thanks to touch, pen, or voice-based input, you can work the way that suits you best.

The HP ElitePad 900 combines the design and ease of use you crave, with the reliability, security, and manageability IT departments demand. Expand the ElitePad 900's potential by choosing from a complete suite of thoughtfully designed accessories<sup>3</sup> like an expansion jacket that extends all day battery life. An elegant design and touch experience puts productivity at your fingertips.

## Finally. A no-compromise business tablet.

The HP ElitePad 900 is not a consumer tablet—it is part of the HP Elite family of enterprise-class PCs, which is synonymous in the industry for trusted security, military-grade durability, IT-friendly manageability and consistent, global service and support.

The HP ElitePad 900 provides Windows 8<sup>1,2</sup> and x86 compatibility, so you can install and run the desktop office and productivity applications you rely on. And it's all driven by the latest Intel® Atom™ Z2760 processors.<sup>4</sup>

### • Flexible beyond compare

Do you want a tablet you can customize to fit your needs? Move beyond less accommodating solutions and make a better choice. The ElitePad 900 sports unique Smart Jackets that add

connectivity options and longer battery life, along with add-ons that enable the tablet to work as a primary notebook, secondary device, or a customized vertical solution.<sup>3</sup>

### • It's loaded

With a 10.1-inch diagonal, 16:10 display, it's easy to maximize viewing space on the move. Spend less time scrolling. More time doing. A 1080p front-facing camera and 8 megapixel (MP) rear camera with an LED flash help you easily communicate face to face, create high-definition (HD)<sup>5</sup> Web videos, or record training videos without high production costs using the included CyberLink YouCam software. Plus, record and listen to audio with a stereo microphone and headset jack—and the richness of SRS Audio.

### • Easy to deploy

Effortless to manage. Simple to secure. Get a familiar enterprise-class setup experience, plus services and protection that take the headache away from IT. HP Global Services and HP Custom Integration Services make it easy to deploy the ElitePad 900 across a worldwide enterprise. HP ElitePad is designed to work with your existing IT environment, with the added protection of features like the HP Client Security suite of security enhancements.

### • A premium, durable design

With durable materials like Corning® Gorilla® Glass 2 and machined aluminum, this tablet only feels lightweight. It's built to last and designed to look great and work dependably everywhere from the boardroom to the warehouse. It includes more than 115,000 hours of our own testing and end-to-end diagnostics, and it's designed to meet military standards 810G testing for drop, vibration, dust, temperature, and altitude.<sup>6</sup>

## HP Recommended Accessories

It's easy to expand the capabilities of the HP ElitePad with accessories<sup>3</sup> that deliver a premium experience and consistent look.

### HP ElitePad Expansion Jacket

Get the connectivity you need with added USB 2.0, HDMI, and SD card reader to get more done on the go or in the office. Power through the workday with more battery life when you add the HP ElitePad Jacket Battery.<sup>3,7</sup>

### HP Executive Tablet Pen

Write messages and notes in your own handwriting directly on screen. Then save them—or convert them to typed text to use in other applications.

### HP ElitePad Docking Station

Charge your HP ElitePad back at the desk and get a full desktop experience by connecting to a range of accessories.<sup>3</sup> Or set up your tablet as a secondary screen.

Learn more about the HP ElitePad 900. For more information or to purchase, call 1.866.625.0242, or go to [hp.com/elitepad](http://hp.com/elitepad).

1. This system is Windows 8 certified and supports the new Windows UI. The integrated display resolution is below the threshold for Snap, a Windows UI feature that allows two Windows Store apps to be viewed simultaneously. This feature may be enabled by attaching an external 1366 x 768 or higher resolution display.
2. Not all features are available in all editions of Windows 8. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8 functionality. See <http://www.microsoft.com>.
3. Sold separately or as an optional feature.
4. Intel's numbering is not a measurement of higher performance.
5. HD content required to view HD images.
6. Testing was not intended to demonstrate fitness for Department of Defense contracts requirements or for military use. Test results are not a guarantee of future performance under these test conditions.
7. Requires optional secondary battery and smart jacket.
