

HP Slate 2 Tablet PC

The Right Business Touch

Create, edit, and review content with the lightweight HP Slate 2 Tablet PC, with a full-featured Windows[®]-based experience, enhanced touch capabilities, and wireless functionality.¹

HP recommends Windows[®] 7.

The HP Slate 2 Tablet PC is ideal for people who need to remain productive in a familiar Windows[®] environment, or who use custom applications³ built for Windows, but have jobs that frequently take them away from a traditional desk.

Enhanced touch capabilities

The capacitive multi-touch display on the HP Slate 2 lets you navigate the screen with the touch of your fingers. The touch enhancements for Windows 7² improve navigation and include easy-to-use touch buttons. You can even use the optional HP Slate Digital Pen⁴ and Evernote software to handwrite messages and take notes. The new Swype keyboard also enhances your touch experience with a soft keyboard for fast, efficient data entry, or you can opt to use the traditional Microsoft[®] onscreen keyboard instead.

Stay productive

With optional integrated HP Mobile Broadband featuring 3G,^{4,5} you can conveniently access the Internet, corporate networks, email, and mission-critical information in more places around the world. The familiar Windows desktop look and feel helps keep you productive while on the go.

Work in the computing environment that you're already comfortable with. The Windows 7 Professional 32-bit operating system² is one of the preinstalled options on the HP Slate 2 and it runs your familiar x86 software, including custom applications.³ Other Windows operating systems are also available.

Smart design

With a starting weight of only 1.52 lb (0.69 kg), this PC is an ideal weight and size for mobile professionals. You can show training or product videos to customers or colleagues, or stream video from the web on the HP Slate 2.⁶ It's easy to carry from meeting to meeting and has the benefits of a full-featured PC.

The flexibility you need

HP has a range of accessories designed to leverage and expand the HP Slate 2. Use the HP Slate Dock⁴ for a desktop experience and to charge up while you work. The HP Slate Bluetooth[®] Keyboard and Case is a sleek, stylish executive-class carrying solution that bundles your HP Slate 2, a rechargeable Bluetooth keyboard, Digital Pen, and cards inside a single case.⁴

Genuine Windows® 7
Professional 32²

1. Wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.
2. Not all features are available in all editions of Windows 7. Systems may require upgraded and/or separately purchased hardware to take full advantage of Windows 7 functionality. See <http://www.microsoft.com/windows/windows-7/> for details.
3. Compatible with 32-bit software and applications only.
4. Sold separately or purchased as an optional feature.
5. For optimized WWAN performance, it is highly recommended that the case that came with this device is used when the WWAN is turned on. WWAN use requires a separately purchased wireless service contract. Check with your local vendor for coverage area and availability in your area. Connection and speeds will vary due to location, environment, network conditions, and other factors.
6. Internet access required. Playback may vary due to connection speeds, location, environment, network conditions, and other factors. Video-enhanced IM software may be required.
7. The HP Slate Dock with HDMI port is required for the monitor connectivity.
8. Operating system only available to customers with qualified usage models.
9. Intel's numbering is not a measurement of higher performance.
10. For hard drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 15 GB (for Windows 7) of system disk is reserved for the system recovery software.
11. HP ProtectTools functionality requires Microsoft Windows.
12. The Computrace Agent is shipped turned off and must be activated by customer when they purchase a subscription. Subscriptions can be purchased for terms ranging from one to five years.
